Output Latihan01

Output Latihan02

Output Latihan03

The screenshot shows two windows from a Java Swing application. The main window, titled 'Latihan 03', contains a login form with fields for 'Email' and 'Password', a 'Remember account ?' checkbox, and a 'Login' button. Overlaid on top of it is a smaller dialog box titled 'Data Diri'. This dialog box displays a welcome message: 'Selamat Datang 222310041@student.ibik.ac.id' next to an information icon. It also features an 'OK' button and a 'Remember account ?' checkbox with a 'Login' button below it.

Output Latihan04

The image displays two screenshots of a Java Swing application titled 'Penilaian Matakuliah PBO'. The application window has a 'File' menu and a title bar. The main area is titled 'FORM PENILAIAN MATAKULIAH PBO' and contains a form for entering student data and a table for evaluation results.

Top Screenshot (Initial State): The form fields are empty. The 'Nama' field is empty, 'NIM' is empty, 'Matakuliah' is empty, and 'Nilai' has five radio buttons labeled A, B, C, D, and E, none of which are selected. Below the form are 'Save', 'Delete', and 'Clear' buttons. The table on the right is empty.

Bottom Screenshot (After Data Entry): The form fields are now populated. 'Nama' contains 'Hapiz', 'NIM' contains '222310041', and 'Matakuliah' contains 'Lab'. The 'Nilai' radio buttons remain unselected. The 'Save', 'Delete', and 'Clear' buttons are still present. The table on the right now contains one row of data:

Nama	NIM	Matakuliah	Nilai
Hapiz	222310041	Lab	A

Clear button

The screenshot shows a Java Swing window titled "Penilaian Matakuliah PBO". It features a menu bar with "File", a title bar with standard window controls, and a main content area titled "FORM PENILAIAN MATAKULIAH PBO". On the left, there are input fields for "Nama:", "NIM:", and "Matakuliah:", followed by a "Nilai:" section with radio buttons for A, B, C, D, and E. At the bottom left are "Save", "Delete", and "Clear" buttons. The "Clear" button is highlighted with a blue border. On the right, a table displays a single row of data: Nama: Hapiz, NIM: 222310041, Matakuliah: Lab, Nilai: A.

Nama	NIM	Matakuliah	Nilai
Hapiz	222310041	Lab	A

Delete button

This screenshot is identical to the one above, showing the "Penilaian Matakuliah PBO" application window. In this instance, the "Delete" button at the bottom left is highlighted with a blue border, while the "Clear" button is no longer highlighted. The table on the right still contains the same data row: Nama: Hapiz, NIM: 222310041, Matakuliah: Lab, Nilai: A.

Nama	NIM	Matakuliah	Nilai
Hapiz	222310041	Lab	A
